

KINGDOM KEYS SCHOOL OF MUSIC

Thank you so much for expressing interest in *Kingdom Keys School of Music*, your new home for gospel music education! We are on a mission of growing and cultivating kingdom musicians who will render a sound that will glorify God. There are a few ways we accomplish this mission.

Minstrel's Mode University

MMU answers the need for music ministry development by building the team members from the inside out by providing growth tools. This course is structured around five foundational pillars: Spirituality, Ministry Etiquette, Business 101, Relationship Building, and Musicianship. The honing of these fundamental core qualities will produce more well-rounded musicians. This interactive group class is offered every Tuesday at 7 pm EST.

Gospel Musicians Roadmap

GMR is perfect for musicians looking to build a solid foundation of understanding how to play gospel music and gain the tools needed to become a gospel musicians! This course takes a one-on-one approach and allows the musician to move at their own pace.

Gospel Musicians Fast Track

GMFT is an accelerated version of the GMR perfect for music ministries in need of a musician right away! This accelerated course is a group class that will take aspiring musicians (no prior musical knowledge) and equip them to play for their church in just six months!

Young Mozart Piano

Access to quality music education for our young people is becoming harder to find. YMP is a 10-week piano course for children ages 5-13 to learn the fundamentals of music theory in an easy-to-apply way. Your child could be playing music in no time!
